DOCKET NO. 1997-498-T - ORDER NO. 2001-1102

DECEMBER 10, 2001

IN RE: Application of South Carolina Tariff Bureau,)	ORDER RECALLING
Inc. Requesting a Recall on the Current Fuel)	FUEL SURCHARGE
Surcharge.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request from the South Carolina Tariff Bureau, Inc. (SCTB), requesting a recall on the current fuel surcharge of 5%, with the qualification that should the cost of fuel again increase, the SCTB would again request the implementation of another fuel surcharge based on the cost of fuel at that time. SCTB asks that the recall be made effective on December 14, 2001. SCTB notes that the cost of fuel has decreased at present.

We grant SCTB's request to recall the current fuel surcharge of 5%, effective December 14, 2001. Clearly the cost of fuel has decreased as of late. Certainly, should that situation change, SCTB would be free to again request implementation of another fuel surcharge at that time, based on the cost of fuel at that time.
